

ACCOUNTS

CSS classes for the accounts page have been listed below

The screenshot shows the 'Accounts' page interface. At the top, there is a 'CONNECT' button. Below it, a summary bar displays '3 Connections', '1 Needs Attention', '3 Accounts', and '\$21,772.30 Net Worth'. The main content area features a 'Quovo' connection card for 'Test Bank Institution' with a 'Good' status and a 'FIX NOW' button. A 'TEST PORTFOLIO' modal is open, showing 'Checking' account details, a balance of '\$14,992.79', and a 'SUBMIT' button. Four callout boxes on the right point to specific UI elements: the 'CONNECT' button, the 'TEST PORTFOLIO' modal, the 'FIX NOW' button, and the 'SUBMIT' button.

ACCOUNT DETAILS

CSS classes for the account details page have been listed below

The screenshot shows a Quovo brokerage account interface. At the top, there is a blue header with the Quovo logo, account name 'test port', and a balance of '\$2,778.33'. Below the header, there are two tabs: 'HOLDINGS' and 'TRANSACTIONS'. The 'HOLDINGS' tab is active, displaying a table with columns for Security, Asset Class, Qty & Price, and Value. The table lists two holdings: AAPL (Apple Inc.) and MSFT (Microsoft Corporation). Below the table, there is a disclaimer: 'Prices and other information obtained from outside sources are considered reliable but are not guaranteed. • Values and market prices are delayed and actual prices may vary.'

Security	Asset Class	Qty & Price	Value
AAPL Apple Inc.	Large Cap Equity	9 \$91.33	\$921.97
MSFT Microsoft Corporation	Large Cap Equity	12 \$163.03	\$1,956.36
